BEAUTIFULLY STITCHED DESIGNS

Digitize & Stitch: Log Cabin Magic

STUDENT SUPPLY LIST | 6-HOUR CLASS

February 25, 2027 | 9:00 AM - 3:30 PM

Beth Planer | The Old Country Store

Please label your machine, hoop, cords, and supplies with your name.

CLASS PREREQUISITES - NOT A BEGINNER CLASS

Students must be able to open and navigate BERNINA Embroidery Software 9, including using the Threads and Color Film icons. Students must also know the basics of operating their embroidery machines.

Computer & Machine

- ☐ Laptop with BERNINA Embroidery Software 9 DesignerPlus installed and working
- ☐ Embroidery machine and module, power cord, and correct embroidery presser foot
- ☐ BERNINA Large Oval Hoop
- ☐ USB drive for transferring the machine file

Thread, Stabilizer & Fabric

- ☐ **AquaMesh stabilizer**, large enough to hoop securely
- ☐ 40-weight embroidery thread and compatible bobbin thread
- ☐ New embroidery needle appropriate for quilting cotton
- ☐ Five pre-cut cotton pieces; see the chart below

Fabric Cutting Chart

For one 4½-inch unfinished block (4 inches finished).

Piece	Cut size	Quantity
Center square	2½" × 2½"	1
Top and bottom logs	1½" × 2½"	2
Left and right logs	1½" × 4½"	2

Optional practice fabric: bring one extra piece of each cut size.

Tools & Notions

- ☐ Small sharp scissors or thread snips
- ☐ Mini iron and protected pressing surface, or use the class pressing station
- ☐ Optional: ruler and removable fabric marker

Before Class

- ☐ Check that your software opens and works on your laptop
- ☐ Cut the five cotton pieces listed above
- ☐ Pack your AquaMesh, hoop, thread, and machine supplies

No purchased pattern required. We will create the design together in class.
