The Goldie Quilt Supply List:

Pattern:
The Goldie Quilt Pattern by Then Came June

Fabric:
Refer to the pattern for fabric requirements. This is a great project for using a favorite fat quarter bundle or digging into your scrap stash! If you're using scraps, be sure to check the cutting chart for the minimum sizes needed. You'll want to work with larger scraps, as some pieces require 6.5" squares or strips measuring 1.5" x 20". Some pieces are 2.5" wide. This is also a great opportunity to use up some of those leftover jelly roll strips!
