### *The School of Sewing* by Shea Henderson

Note: This book is not mandatory, but the half-square triangle quilt that you will be stitching is based on the final project in this book. The chapter contains a number of wonderful layout options for half-square triangles. You may find it helpful to obtain the book ahead of time so that you can study the layout options before selecting your fabric.

Revised 11/25/2019, 10/21/20, 7/15/21, 4/16/22

**Fabric:**

First, decide if you want to make a baby (40 x 48") or a lap-size (60 x 72") quilt. Then, choose either a quilt with just two colors, or a scrappy/multicolor quilt with a variety of fabrics. Refer to the charts below for yardage amounts. Select quilting cottons for this project. Solids, or small or medium scale prints will yield the best results. Keep in mind that contrast is critical within the block unit for the overall design of the quilt to be seen, so make sure there is enough contrast between the two fabrics if you choose the Super Simple option, or between the background fabric and accent fabrics if you choose the Scrappy/Multicolor or Super Scrappy options. The more fabrics you use, the greater the depth and variety in your quilt. You may want to purchase additional fabric just to be on the safe side and to give you more options.

**Super Simple (Two Fabrics)**

<b>Material</b>	<b>Baby 40" x 48"</b>	<b>Lap 60" x 72"</b>

Backing	3 yards	4 yards
Binding	1/3 yard	1/2 yard
Low-loft Cotton Batting	Crib size or 44" x 52"	Twin size or 64" x 76"

**Scrappy/Multicolor (Variety of Fabrics)**

<b>Material</b>	<b>Baby 40" x 48"</b>	<b>Lap 60" x 72"</b>

**Super Scrappy (Large Variety of Fabrics)**

Revised 11/25/2019, 10/21/20, 7/15/21, 4/16/22

<b>Material</b>	<b>Baby 40" x 48"</b>	<b>Lap 60" x 72"</b>
Background Fabric: (one fabric or a combination of fabrics totaling the amount in the column)	1-1/2 yards or (60) 5-1/4" squares	2-3/4 yards or (60) 7-1/4" squares
Accent Fabrics	(60) 5-1/4" squares	(60) 7-1/4" squares
Backing	3 yards	4 yards
Binding	1/3 yard	1/2 yard
Low-loft Cotton Batting	Crib size or 44" x 52"	Twin size or 64" x 76"

If you want to have more time for sewing on the day of class, please cut your squares ahead of time. Squares for the Baby size should be cut at 5-1/4" square; squares for the Lap size should be cut at 7-1/4" square.

Charm Packs (pre-cut 5" squares) can be used for the Baby size, but you will need to take care that you do not sew too deep of a seam; otherwise your blocks may be too small.

You will need 120 squares total, no matter which size quilt or style you choose:

- Super Simple - cut 60 squares of each fabric
- Scrappy/Multicolor or Super Scrappy - cut 60 Background squares and 60 Accent squares

If you are unsure of how to cut your fabric, feel free to wait until the day of class to do your cutting; I'll be happy to coach you through that step.

Any questions?? (I know the yardage charts can be a bit confusing!) Feel free to e-mail or call me. Looking forward to stitching with you!
