

Rope Bowl 101 Supply List

Cotton Clothesline Rope:

100% cotton clothesline rope, 3/16" in diameter (available at The Old Country Store). As of this moment, we've found The Gypsy Quilter's brand to be superior. One hank of 100 feet should be sufficient for class, but I'm sure you'll be buying more! ☺

Basic Sewing Kit:

- Fabric shears strong enough to cut through rope
- Thread snips or small scissors
- Seam ripper
- Long straight pins

Sewing machine, etc:

- Sewing machine in working order. Note: Your machine must be capable of stitching through thick layers and must be able to stitch a zig-zag stitch.
- Presser foot that will allow you to stitch a zig zag stitch
- Size 100/16 Denim needle
- Aurifil 50 wt thread (Choose an off white if you don't want your stitches to show, or select a contrasting color.)

Optional Supplies:

- Elmers washable purple glue stick
- Strips of fabric 1/4" – 1/2" wide

Any questions??! Feel free to e-mail, text, or call me.
