

BERNINA Embroidery Club – May 2024 Sewing Tool Travel Case Supply List

If you ever wanted a case for your sewing tools so you could grab and go (and have everything), this project is for you. It will hold everything from a 6" x 8" cutting mat, rotary cutter, thread snips, stiletto, seam ripper, etc. We will learn how to place a design and add lettering within a space defined by the project.

Please review this supply list and bring the requested items to class. Regarding fabric, quilter's cotton works best.
