

## Kaffe Fassett Workshop: Country Snowballs Supply List

In this workshop, Kaffe's traditional snowball quilt block is made fabulous by his colour choices. With Kaffe and Brandon's guidance, you will create your unique Country Snowball Quilt.

Choose your fabrics with an eye to the colour or mood you wish to explore. Keep your choices harmonious. For example, If you would like to explore RED, Bring reds, oranges, reddish purples, magenta, warm brown, etc.

You will need 20 or so  $\frac{1}{4}$  and  $\frac{1}{2}$  yard cuts different **large-scale** fabrics.

**Please DO NOT cut fabrics before the class.**

For the points, you may wish to wait and purchase fabrics at the workshop after you have set up your octagons. The quilt is more successful if the points' color way is different to your octagon's colour way. The points create a frame to set off your octagon thereby creating a beautiful snowball.

Please feel free to bring any fabrics you would like to use to the workshop – these do not have to be Kaffe Fassett Collective fabrics. If you are not sure how you are going to proceed, that is okay. Please bring your stash favorites and be prepared to shop with Kaffe and Brandon during the workshop.

***No sewing takes place during the workshop. No sewing machines needed.***

**In addition to fabric, please bring these supplies:**

- Quilts on an English Farm. If you are attending the lecture on Wednesday evening, you will receive a complimentary copy.
- Rotary cutter with a new blade.
- Cutting mat – at least 12" x 18".
- A quilter's ruler at least 6" x 18".
- Fabric scissors
- Pencil
- Pins

**Your host shop will provide:**

- 2-yard cut Flannel Grid Walk
- Kaffe Fassett Reducing Glass
- Lunch
