Class Preparation:

Fussy cut and piece the motif following the directions on pattern page

12. Sandwich the outside fabric, foam batting and lining. Quilt according to pattern instructions. Allow at least 4 hours.

Cut remaining fabric prior to class and label all pieces. You will go

home with a completed bag. **Afraid of the preparation process?** Fussy cut and piece the motif in class with the guidance of the teacher. Most of your class time will be spent quilting the main piece of the bag. You will begin to assemble the bag in class but it will need to be finish at home.
