

## Supply list:

The Holiday Placemat project will result in a charming piece measuring around 14" x 18". Keep in mind that sizes may differ slightly based on individual work. This class is tailored for those with intermediate to advanced skills. If you're new to embroidery and quilting, don't worry! Just reach out to me before class begins so we can go over the techniques involved. Understanding these will help you make progress on the project during our time together, even if it's not completed within the class period.

Please be aware that there's some pre-class preparation required. Below, I've outlined the details for you.

### Fabric

- Fabric needed: Please see placemat picture for guidance
  - Placemat measures 14" x 18"
  - This will need to be cut to size before coming to class (***Prepping required***)
    - I used canvas fabric for the front of my placemat and cotton fabric for the back. You can choose any kind of fabric you prefer.
    - One color for front – I used a cream color cut at 16" x 20"
    - One color for the backing– I used burgundy cut at 18" x 22"
    - One "ribbon" cut at 2 ¼" x 14"
      - Use Misty Fuse or another fusible interfacing on the back of the ribbon. Add the fusible interfacing before coming to class.
    - Batting cut at 17" x 19"

- Bias Binding – Cut WOF at 2 ½” and ironed in half lengthwise
  - You will need approximately 72” to complete the binding. This measurement gives you some play room.
