Supply List

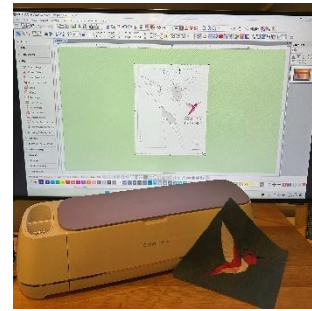

Pack everything in a clearly labeled tote so you can set up quickly. Items marked ★ Optional will streamline your workflow..

---

1. Technology

- Laptop or desktop with the latest versions of CorelDRAW Graphics Suite and BERNINA Software 9 already installed and fully updated (Windows).

- Mouse and mouse pad (far faster than a trackpad for precise tracing).

- Cricut Maker/Explore, FabricGrip 12 × 12 mat (pink), and Rotary Blade

- Personal sewing machine with power cord, foot pedal, and ¼" piecing foot ★ Optional – sewing on your own machine yields the best results.

- **Before you arrive: Confirm all firmware and software updates (CorelDRAW, BERNINA v9, Cricut Design Space, and your sewing machine) have been installed. Class time won't be used for updating devices.**

---

2. Fabric, Paper and Pattern

- I used my scrap fabric. On my piece I used 7 different colors – 100% quilting cotton, unwashed. ★ Optional- This is only a practice piece. You can use as little or as many fabrics as you choose. 😊

- A handful of small scraps for practice cuts ★ Optional.

- Foundation paper (10–12 sheets of Carol Doak or other lightweight paper). I will print out one copy per page for each student.

---

3. Notions & Tools

- 80/12 Microtex needle (fresh).

- Neutral 50 wt cotton thread (e.g., Aurifil 2600 Dove or 2021 Natural).

- Fabric shears and thread snips.

- Rotary cutter with a fresh blade and 6 × 12 ruler ★ Highly recommended for trimming.

- Mini cutting mat (about 9 × 12) ★ Optional.

- Wash-away glue stick or flat-head pins for positioning patches.

- Sticky notes for labeling cut pieces.

- Seam ripper (just in case).

- Best Press or something similar

- Small cutting board – that you can use at your station

- ★ Optional – Cricut Brayer and a cricut mat removal tool

---

4. Pressing Aids

- ★ Optional – classroom irons provided.

- Suggested ★ Optional – small iron and pressing mat that you can use at your station

---

5. Digital File

- Download free pattern onto your computer desktop. Class time cannot be used for this. Find the pattern here: SugarBabyV1.pdf

- Download it to your laptop beforehand so we can dive straight into CorelDRAW.

What We Provide

- Classroom irons and large cutting mats

- Wi-Fi access

- A limited number of loaner sewing machines

- Need help locating an item or running updates? Email or call me at least two days before class, and we'll sort out a loaner or walk you through the update process.

- Email address: eaplaner@comcast.net

- Phone number: 610-780-6756

- **NOTE:**
  - The Old Country Store does not sell the Cricut machine or any of its tools. You will need to supply these items from other sources.
  - Hinkletown Sewing does not extend a 10% discount on the Bernina Software for this class.
