To make your Santa like the sample, you will need fat eighths of the following colors:

*2 reds

3 browns

1 green

Flesh (skin color)

White (beard color)

Background fabric – one fat quarter for Santa, more if you would like to add borders.

*You will need a fat quarter of the fabric you choose for Santa's coat.

IMPOTANT: Please do not precut your fabric according to the pattern directions, or the pieces will be too small for the paper piecing method you will use.
