

# Embroidered Wall Hanging

## Supply list:

### Digitize Design

- For this class, you may choose **any embroidery design you love**. During class, you'll learn how to add a **simple word or phrase along side your design** using a phrase given to you by the instructor.
  - I recommend using a design in your machine or if you prefer OESD designs are always great.
    - I used one I found the one designed on the Embroidery Library site. Shown below.
    - [Bobblin – Embroidery Library](#)

**Bobbin Thread:** - Seraline – please have bobbin thread prewound (Yellow bobbin case if you have it. It is not required but recommended) – This is for when we stitch out our embroidery designs  
Thread color you would like to have on the back side of your wall hanging when quilting. (Black Bobbin case)
