

Happy Christmas Student Supply List

Pattern: You will need to order the *Happy Christmas* pattern from Maker Valley's website, available in PDF or paper: https://makervalleybrand.com/products/happy-christmas-quilt-pattern?_pos=1&_psq=happy+christmas&_ss=e&_v=1.0

She also offers a mini version (PDF only):

Fabric:

Much of the fun of this quilt is collecting a large variety of Christmas prints in low volumes and the various colors needed. So, dig through your stash, raid your friends' stashes, and start shopping! You'll have the opportunity to swap/share/purchase fabrics from classmates, so bring any extra fabrics along that you are willing to part with, and I will do the same.

Cash:

Please bring a supply of quarters and \$1 bills for purchasing fabric. I'm thinking we'll charge \$.25 per 5" square of fabric. 😊

Optional Supplies:

Cutting instructions:

This quilt is based on 5" squares, so feel free to start cutting away. You'll need larger squares for the Half Square Triangles. Please note that I prefer to cut my HST squares at 5-3/4" instead of 5-1/2" as the pattern suggests so that I can easily trim down with the Bloc Loc ruler.

Plan on working on your half square triangles during class.
