

Modern Hexie Wreath Pillow Student Supply List

Pattern: *A Hexie Christmas Pillow* pattern by Myra Roberts, available as a PDF download: <https://simplestitchesfabricshop.com/products/a-hexie-christmas-pillow-pdf-pattern>

Hexie Supplies:

- 30 1" hexagon paper templates
- Paper hole punch
- Clover Wonder Clips
- Hand stitching thread (I like to use a hand quilting weight thread.)
- Hand stitching needles (I prefer Milliner/Straw needles, size 9.)
- Thimble, if you use one (I love Clover's Protect and Grip Thimbles.)
- Best Press, or your favorite spray starch or starch alternative
- Roxanne Glue-Baste-It with a fine point
- Clover Hera Marker

Pillow and Fabric Requirements: see materials list on pattern

- 16" or 18" pillow form
- I like to use ShapeFlex 101 interfacing for the pillow back; you'll need at least ½ yard.

Additional notes:

- If you wish to do an 18" pillow, I suggest cutting your background, batting, and backing fabrics 20" x 20" instead of 18 x 18". You'll need additional fabric for the pillow back as well.
- I like to purchase a zipper 2" longer than the size of the pillow for easy insertion.

Rotary Cutting Supplies:

- Rotary cutter with a fresh blade
- 24" acrylic ruler
- Smaller acrylic ruler (1" x 6") is helpful
- Acrylic 1" hexagon fabric cutting template (optional) – be sure to select one with a 3/8" seam allowance instead of ¼".
-

Basic Sewing Kit:

- Fabric Shears
- Pins
- Seam ripper
- Thread snips or small scissors

(cont.)

Sewing Machine and Machine Quilting Supplies:

- Sewing machine in working order
- Walking foot if your machine does not have a dual feed feature
- Machine quilting thread - I like Aurifil 50 wt cotton.
- Sewing machine needles: I like to use a 90/14 Topstitch needle for machine quilting.
- Small safety pins for basting
- Zipper foot if installing a zipper in your pillow

If you would like to get a head start on your project, you can go ahead and thread baste your hexies. Here's the link to my YouTube video showing my preferred method:

<https://www.youtube.com/watch?v=Q32Bjt2NxYY>

Note: Do not glue baste your hexies for this project!

Any questions??! Feel free to e-mail or call me.
